

### RCWV3-CQC™ Channel Wall Mount for Cisco Quad Camera

#### INCLUDED PART LIST

- No. 1** Camera Plate, 805-1176 (Qty 1)
- No. 2** Channel Mount, 802-1176 (Qty 1)
- No. 3** Channel Mount Adapter Plate, 801-1176 (Qty 1)
- No. 4** 8-32 Hex Nut w/Ext. Tooth Lock Washer (Qty 2)
- No. 5** 8-32x7/16" Pan Head Torx Screw (Qty 2)

#### PARTS NOT INCLUDED

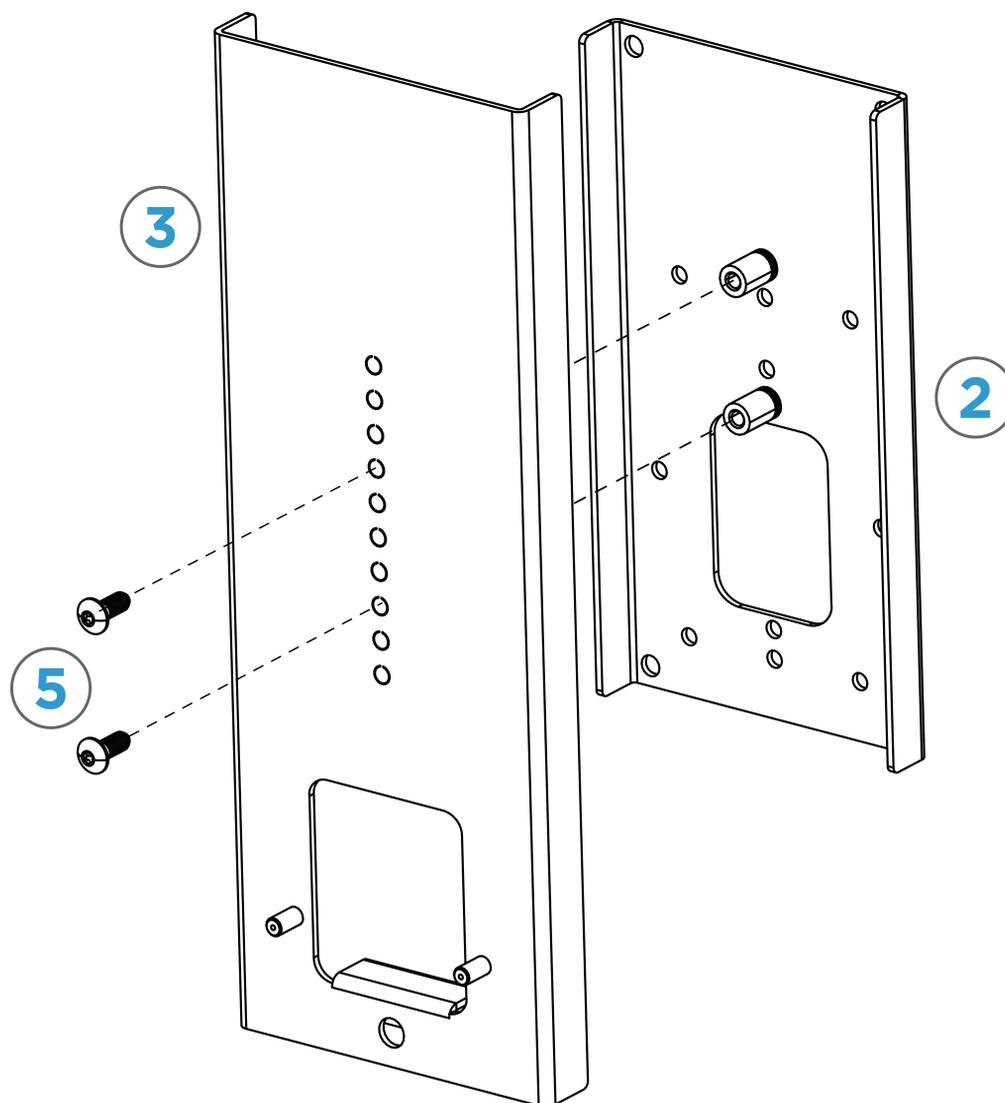

- No. 6** Cisco Quad Camera (Qty 1)

### ASSEMBLY INSTRUCTIONS

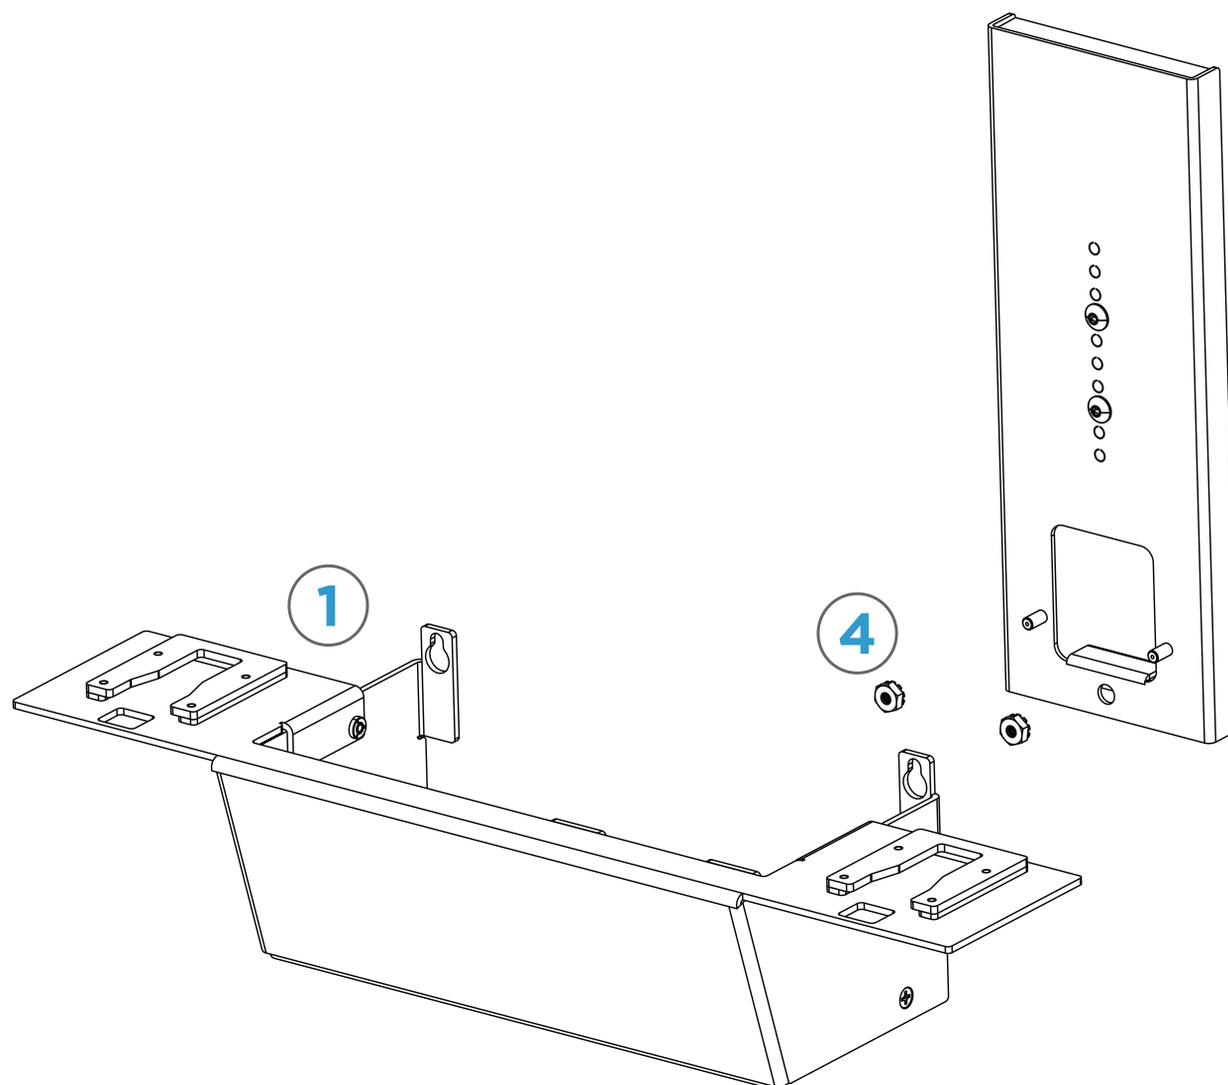

**STEP 1:** Attach Channel Mount (**No. 2, Qty 1**) to wall with wall anchors (not supplied) appropriate for wall material. Then attached Channel Mount Adapter Plate (**No. 3, Qty 1**) to Channel Mount using 8-32x7/16" Pan Head Torx Screws (**No. 5, Qty 2**).

#### NOTES:

- Channel Mount may also be mounted to a US style single or double gang wall box, or a European style double gang wall box.
- Channel Mount and Adapter Plate may be mounted inverted if necessary.

**STEP 2:** Attach Camera Plate (No. 1, Qty 1) to Channel Mount Adapter Plate using 8-32 Hex Nuts (No. 4, Qty 2).

**STEP 3:** Attached Cisco QuadCam (No. 6, Qty 1) to Camera Plate.
